It is centrally located, close to public transport, the Cardboard Cathedral and Vintage Tram start point. Rooms are king or twin with cable TV, mini-fridge, tea, and coffee making facilities, internet and an ensuite bathroom with hairdryer.

MEALS

Daily breakfast and dinner (own cost) is available at our tour hotel restaurant, but many will prefer to dine at one of the cafes, bars and restaurants located nearby. Nothing could be better than a nice coffee next to the Avon River watching the people go by. Your tour notes will contain a list of nearby eating places and other suggestions should you wish to explore the vibrant central city nightlife. The Tranz-Alpine train has a café car serving a range of reasonably priced meals and snacks.

TOUR OVERVIEW Your stay in Christchurch starts with a personal meet and greet and transfer to our centrally located tour hotel. On group tours that evening meet with your tour leader and fellow travellers. The next day visit the Antarctic Centre the highlight being a ride on the amazing all-terrain amphibious Antarctic vehicle that has been built to conquer the rough terrain on the ice. After lunch (own cost) return to the city for sightseeing and a gondola ride. The following day travel to Arthurs Pass on the Tranz-Alpine train returning by coach. The section, between Springfield and the township of Arthurs Pass, is considered a masterpiece of railway engineering and is the section for which the Tranz-Alpine is most famed. The following day is free for you to explore the city at your own place. The next day enjoy a Vintage tram tour with stops at several attractions along the route.

OPTIONAL AKAROA DAY TOUR AND NATURE CRUISE (Day 6) Travel to/from Christchurch by coach. At Akaroa we board the 60 ft Black Cat for a 2:00hr nature cruise. Day 3 CHRISTCHURCH – ARTHURS PASS ON TRANZ ALPINE (SCENIC CLASS)

The section, between Springfield and the township of Arthurs Pass, is considered a masterpiece of railway engineering and is the section for which the Tranz-Alpine is most famed. The route firstly heads north-east to join the Waimakariri River gorge. This aqua-blue river will appear and disappear out of your window several times as the Tranz-Alpine clings and climbs up the cliffs above it. During the ascent to the high plains of Craigieburn, there are 15 short tunnels and four dramatic viaducts, including the 72-metre high Staircase Viaduct. We return to Christchurch by coach.
